THE STARLING DEBUTS IN MIDTOWN ATLANTA WITH REVAMPED FEATURES AND VENUES. BY MORGAN CALCARA

The Starling (@thestarlinghotel), previously known as W Atlanta Midtown, debuted this summer, joining Curio Collection by Hilton. The rebrand offers new textured and unique elements and is surrounded by fine dining, art, the iconic Piedmont Park and more for visitors and locals alike. The hotel's new theme is inspired by the starling bird often seen flying around Georgia, and commemorates its prime location in "the city in the forest." Like starlings, the hotel encapsulates energy and creativity with an eclectic interior, an exciting atmosphere and revamped features. The hotel includes an updated spa, The Spa at The Starling, and original lobby bar, Lantana.
